

Ghazali Mohamed Fadzil, PhD

Knowledge Management Strategist, Consultant, Practitioner, Facilitator, Speaker, Planner
Founder and Main Consultant, GKM Consultancy Services
Board Member, Librarians Association of Malaysia,
Board of Director, Perbadanan Perpustakaan Awam Negeri Melaka,
Member, KL KM Roundtable.
KM Columnist, UTP's KM Quarterly

A dreamer with a definite plan to make this world a better place with my **expertise in Information and Knowledge Management** that slowly moving into **adults learning**. I am **passionate** about my **information and knowledge management works** and **committed to share** my knowledge and expertise in the area to help organisations to implement information and knowledge management programme successfully. To me **knowledge process in not sequential** and **knowledge is contextual** where KM is more about **people** and **culture** that are **organic** rather than technology.

I am a **positive person** with other philosophy that everyone has their own strengths and weaknesses and I rather **think and see the strengths in people**. Apart from helping others I am an avid **photographer** that **love train, traveling** and **reading**.

Approximately 26 Years Planning, Implementing and Managing Information & Knowledge Management Initiatives in Various Organisations:
